

GIMI visits GAC

A three member delegation from the Galilee International Management Institute (GIMI) in Israel has paid a friendly visit to Ghana AIDS Commission (GAC). The three, Dr. Joseph Shevel, President of the Galilee Institute, Mr Yossie Zelnick, Academic Director of Banking Programs and Mrs Michal Mizrahi, Director, Centre for Health Management were in the country to take part in an event organized by the National Health Insurance Authority. The GAC has been collaborating with the Institute to train its staff in HIV and Project Management courses. So far seven GAC staff have benefited from the collaboration. Director of Finance Mr. Joseph Sackey welcomed the team on behalf of the Director-

General Dr. Angela El-Adas. At the request of the GAC team, Dr. Shevel said courses in Finance in Project Management and Research Monitoring and Evaluation could be initiated to benefit more GAC staff. He expressed the hope that more staff members would avail themselves of the courses at the institute. A box of chocolates was shared with the Israeli team to signify Valentine's Day which is celebrated as Chocolate Day in Ghana.
